Stakeholder Engagement Subcommittee

- Save the Dates:
 - *May 7th – Volusia County – EOC/Daytona Beach*
 - *May 8th – Brevard – FDOH Bill Posey Conference Center/Viera*

- Save the dates will be going out end of February

- Subcommittee will be giving first look at the base invite lists to see if we missed anyone. Then to steering committee by Feb. meeting.

- Next Sub Committee call – February XXX
 - *Approving save the dates*
 - *Agenda – moving forward – focus on Action Plan, not the past*
 - *Breakout format and process/draft questions and goals of exercise*

Sea Level Rise Subcommittee

- Recommending range based on type of facility and allowable risk
- Current draft Includes multiple curves (min - NOAA 2012)
- Draft summary wording is out for the committee to review and provide feedback.
- Next call – February XXX
 - *Go over comments*
 - *Discuss recommended vertical datum for SLR*
 - *Finalize summary recommendation*

Infrastructure & Environment

Develop cross-discipline plans, policies and strategies to develop infrastructure, development and natural resources that can withstand and adapt to natural disasters, changes to climate, and human manipulation to protect the health, safety and economic welfare of residents, businesses and visitors.

Areas of Resiliency

- Infrastructure

- *Power*
- *Wastewater/water, septic,*
- *Transportation*
- *Stormwater infrastructure*
- *Green Infrastructure*
- *Cyber/Communications*

- Managed Lands and other conservation lands/environmental/ecological

Infrastructure & Environment

Develop cross-discipline plans, policies and strategies to develop infrastructure, development and natural resources that can withstand and adapt to natural disasters, changes to climate, and human manipulation to protect the health, safety and economic welfare of residents, businesses and visitors.

How do we do this?

What are the first steps?

What are the long term implementation steps?

What are barriers to implementation?

OPEN DISCUSSION

NEXT STEPS

NEXT CALL – FEBRUARY 16 - 10 AM
